EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Rohan Sabapathypillai on 12/29/2008.

The application has been amended as follows: In Claim 11, the word "in" in line 2 should be deleted and replaced with the word --comprising:--. In line 7, the word --further-- should be inserted between the words "(RG)," and "comprising:".

2. The following is an examiner's statement of reasons for allowance: The combination and arrangement of limitations in independent claims 1, 11, 21, and 31 is not disclosed, taught or suggested by the prior art. Specifically, the steps of receiving the QoS message at the ANI, forwarding it to the DSL Manager, and then the DSL Manager forwarding the information to both the BRAS and the RG in the CPN as argued by Applicant on page 17, paragraph 3 of the arguments submitted by Applicant on 10/8/2008. The closest prior art found by the Examiner, the DSL Forum document, does not disclose a DSL Manager that updates a BRAS as well as a Routing gateway. For these reasons, in conjunction with the other limitations of the independent claims, puts this case in condition for allowance..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to MICHAEL E. KEEFER whose telephone number is (571)270-1591. The examiner can normally be reached on Monday through Friday 9am-5pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Nathan Flynn can be reached on (571) 272-1915. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
